

**IN THE MICHIGAN COURT OF APPEALS**

**ORDER**

Re: **People of MI v Michael A Freeman**

Docket No. **283350**

L.C. No. **96-004310**

Henry William Saad, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),  
orders:

The motion to waive fees is GRANTED for this case only.

The appeal of right is DISMISSED for lack of jurisdiction because the order of December 27, 2007, denying a motion to have transcripts prepared at public expense, is not a final order under MCR 7.202(6)(b).
